CAUTION: This email message is **EXTERNAL**.

Bill,

Belkin is in the process of preparing a list of its power banks consistent with the Court's order dated November 17, 2023. While Belkin is still working diligently to compile the full list, in the interest of time we have attached a list which contains SKU numbers and SKU descriptions for the power banks Belkin has sold since January 1, 2018. We are happy to meet and confer should you feel that this list aids our discussions regarding a representative sampling. We will supplement this list soon with the balance of the information ordered by the Court.

Kind regards,
Katelyn
